Chrysler Museum - *An American Century of Photography: From Dry-Plate to Digital* – Feb 27th thru May 19th

This extraordinarily rich collection of
photographs documenting the end of the 19th
century and the entire 20th century in America
through photography, a relatively new medium
for the era. Dating from the 1880s to the
present day, these images are a testament to
the drastic changes of the past century and
photography's development as a true art form.
